Please hand in at the bar in Tabaksfabriek or by mail prior to the event.

During Design District Fair special catering facilities are available for exhibitors. Packages are available at reduced rates through the form below. All orders are directly delivered to your stand during the event. Optional orders for drinks, supplies and appetizers are available. Should you have any special requirements such as drinks for your relations at your stand, please enquire for all available options via personeel@cateringcreators.com or visit the public catering points during the fair. Please note that packages and products cannot be obtained directly at these points.

You can settle the payment by pin or creditcard on the last day of the event. You will receive a VAT receipt.
