

**Please hand in at the bar in the tabacco factory or by e-mail prior to the event.**

There are special catering facilities available for exhibitors during the Design District convention. In the form below you can order exhibitors packages at **discounted rates**, these will be delivered during the convention at your stand. In addition, you can order drinks, savoury items and accessories. Do you have special wishes? Drinks with work relations at your stand for example, you can get in touch with us by e-mail: **info@cateringcreators.com**. Naturally, you can also get food and drinks at the public catering point during the convention, but the packages and products below are not available there.

**You can pay on the last day of the convention by card. You will receive a VAT-receipt per request.**
