

Order list

Please hand in at the bar in the tobacco factory or by e-mail prior to the event.

There are special catering facilities available for exhibitors during the Design District convention. In the form below you can order exhibitors packages at **discounted rates**, these will be delivered during the convention at your stand. In addition, you can order drinks, savoury items and accessories. Do you have special wishes? Drinks with work relations at your stand for example, you can get in touch with us by e-mail: info@cateringcreators.com. Naturally, you can also get food and drinks at the public catering point during the convention, but the packages and products below are not available there.

06-service

Do you want to order sandwiches, drinks, muffins, bitterballen or anything else to be delivered at your stand? You can also order via a call during the exhibit at phone number 0031622545865. The availability of products is the same as down below this list. Do you have specific wishes? The caterer is always willing to think and accomodate with you. Delivery time depends on the order and rush at the moment, but usually takes 30 minutes.

If you would like an invoice, give your company information to the caterer, and make sure that there is someone at Friday to check the information and to confirm the payment.

You can pay on the last day of the convention by card. You will receive a VAT-receipt per request.
